

Key Questions

Here are some ideas to talk about with your doctor at your next asthma checkup.

What do I need to know?

What is asthma?
 What makes my asthma worse?
 Can I tell if an asthma attack is coming?
 Will I always have asthma?

How can I keep my asthma under control?

How and when should I take my asthma medicines?
 What kinds of asthma medicines am I taking (quick relief, controller, etc)?
 What can I do at home, at work or school to make my asthma better?
 Do I have to limit any of my activities?
 When should I get help from a doctor or hospital for my asthma?
 How often should I see my doctor for asthma check-ups?

Why will this help me?

Why do I need to keep away from my asthma triggers?
 Why is it important to take my medicines the right way?
 What can I expect to happen if I do all, or most, of these things?
 What can I expect to happen if I don't?

Trigger Tracker

Use this tool to keep track of your triggers. Bring it to your next asthma checkup.

Date: _____
